

4th Annual EASTOWN FOOD GARDEN TOUR

6 - 8 p.m. Tuesday Aug. 16

Meet outside of Eastown Community Association at 5:45,
415 Ethel SE (just south of Wealthy Street),

View Eastown's food gardens, discuss food issues and connect with neighborhood gardeners! We'll conclude with delicious samples of tasty garden foods at our last stop.

The 1- to 2-mile walking tour stops at 8 to 10 diverse gardens!

While you're on the tour, you'll have opportunity to:

- Sign up for free food buying club.
- Bring mercury thermometers, used household batteries and CFL light bulbs for recycling.

If you are interested in starting and/or maintaining your own food garden, OKT can assist. We loved to show it off on the food garden tour next year!

Supported by

**W.K. KELLOGG
FOUNDATION**

For information, contact oktable1@gmail.com or 616-719-9779
Tour will be canceled and rescheduled if weather is inclement (rain or heat alert).
